SUBJECT: Departing Itinerary by USA Group

Attached, per your request, is a copy of the itinerary covering the visit of the U.S. metal Corrosion group to the U.S.S.R. last month. As I indicated to you yesterday, this was a tentative itinerary in advance of the visit. I will know about the final itinerary after the Chairman of the U.S. group contacts me on arrival in U.S.

I will be happy to let you have a copy of a report prepared by the group after its return from the U.S.S.R.
